I understand that I am responsible for submitting a complete application, including all required documents that meet city code. The City will not hold partial submittals. Acceptance of this submittal to the Development Review Committee (DRC) for review is not an acknowledgment by the City of a complete application. This determination will be made by the DRC in accordance with UCA 10-9a-509.5. I acknowledge that I am responsible for resubmitting my application in its entirety if my application is incomplete. In the event that I re-submit my project, I understand that a Review Cycle is not complete unless and until the applicant replies to all of the required modifications and requests for additional information noted on the previous submittal. I acknowledge that a building permit will not be issued until the untreated gravel base has been placed and graded, sewer, and storm drain lines and water lines, and inlet boxes completed and tested per Section 15.01.230 of the American Fork City Code. By submitting an application, the owner/authorized representative hereby authorizes American Fork City Representatives to enter the property for the purposes of evaluating this application.

Engineering/Planning/Fire Division Review Fees – Development review and inspection fees are billed per hour during the course of the project review and construction. These fees include time for city personnel as well as 3rd party consultants that complete plat reviews, water rights transfers and reviews, engineering reviews, planning reviews, utility modeling, field inspections, recording fees, permit fees, street light costs, subsequent plan review meetings, and all other applicable fees which are billed as they occur. **By signing below, I acknowledge that I have reviewed the General Fee Schedule (see Resolution No. 2023-06-27RR), and have had the opportunity to discuss my questions with staff, and accept responsibility for all fees and costs associated with my development as detailed above.**
