TERMS & CONDITIONS

Failure to comply with all terms and conditions listed below may result in a citation to the applicant.

- Only burn yard waste. Absolutely no burning of tires, plastic products, coated wire, or building products.
- Items not grown on the property cannot be burned.
- No burning of stumps, or limbs 4" or larger.
- No burning ground clearing material, where material is for development purposes.
- Only burn within permitted time period (March 30 to May 30).
- No burning on Sundays.
- Only burn when atmospheric conditions indicate it is satisfactory to burn, as determined by the Dispatch Burn Index.
 - Call dispatch at 801-374-2876 prior to every burn for daily burn index.
- Only burn when local conditions do not make it hazardous, such as during high winds.
- Only burn at a distance of more than 50 feet from any building, structure, or other combustible materials.
- Make sure to have an adequate water supply or other fire extinguishing equipment available.
- Burning must be constantly attended by a competent person and shall be completely extinguished before being left unattended.
- Approved fuel breaks shall be established between the controlled bringing area and any endangered property. The width of the fuel breaks shall be determined by the height, type, and amount of growth, wind conditions, geographical conditions and type of exposures.
- All fires shall be completely extinguished before dark.
- Adjacent neighbors shall be notified prior to burning.
- Such burning shall not pose a threat to forest, range, or watershed lands.
- Applicant will call Dispatch for burn index and complete the state burn application for each day you plan to burn.
 - State burn application: <http://air.utah.gov/OpenBurning/form/index.php>

The Fire Department reserves the right to refuse, revoke, or postpone your permit, when deemed necessary.

As part of this submission you will be asked to pay a \$20 permit fee.
